

Making a referral to NE ENT Speech and Swallowing Disorders Clinic

- Obtain an order/prescription from your primary care doctor that states “speech evaluation,” “cognitive evaluation,” or “swallowing evaluation.”
- Services for adults and children are provided in Dartmouth, Ma at 299 Faunce Corner Road (off of Rt. 195, near the Vanity Fair Shopping outlets - exit 12B).
- Contact our office at (508) 995-0700 to schedule an appointment.
- If you have any relevant reports or recent tests such as MRI or CT scan, please bring them to the appointment.
- Be sure to bring a medication list.
- If you are having a swallowing evaluation, it is often useful to bring an item of food that is giving you difficulty so that it can be used in the assessment.
- If you are bringing a child for an evaluation, please make sure to fill out a case history form and bring this to the evaluation. If one has not been mailed to you prior to your visit, you can obtain a form from our website under “patient forms -pediatric speech evaluation.”
- After the evaluation, additional referrals for other tests or services may be recommended (e.g., Modified Barium Swallow, FEES (endoscopic evaluation of swallowing), registered dietician, etc.
- Please feel free to contact our Clinical Director, Kelly Coucci at (508) 995-0700 ext. 204 with any questions.
